Google. Customer Reviews "Just what I've been looking for -  
great "comfort fit" but still strong enough support for those who  
need it. Fits great with overall comfort, but has enough support  
for my larger arches. My feet feel good in them, and I can  
actually wear flip flops on them. I will definately order more."

"I am a runner. I run about 6 miles a day. I wear a size 8.5 shoe. I needed something comfortable that was built to support my feet. I was happy to find these. I only wish that they came in a 10.5 width."Kakadev Kakadev (Devanagari: काकडेभ्यो) is a prominent non-governmental organization in India founded by John Dayal in 1991. The organization has its headquarters in Delhi. In 1997, Kakadev started working on a moderate anti-nuclear movement in India. Kakadev works with Nobel laureate J. M. Keating's Centre for Studies in Social Transformation.
