synod literature publication board, aizawl, mizoram 2005 kristian hla bu pdf download Kristian Hla Bu 18th. Aizawl, Mizoram U Traditionally the books published by the Literary and Publication Board of Synod (the governing body of the Church of the Mizo people which is known as Church of the Mizos) in Mizoram are called Kristian Hla Bu. These are the books which form part of the education curriculum in Mizoram State. The form in which these books are published is unique to Mizoram, mainly because the local dialect of the Mizo language has distinct differences from other dialects of the Mizo language found in other parts of the world. The Kristian Hla Bu series of books is widely used by all the Mizo communities, especially Mizo Christians. The Mizo Christian community prefer a special edition of these books which contains a particular Christian message for the Christian community. The years of the edition followed by the number are denoted by Hla Bu. For instance, the edition of the year 2002 had the number Hla Bu 18. This year is also celebrated on the 18th day of the Christian month on the Gregorian calendar by the Mizo Christians. In fact, this is the only Christian festival celebrated by the Mizo Christian community. Below is the official list of the Kristian Hla Bu series of books issued by the Literary and Publication Board of Synod. The "branch no" in the official list is used to denote the number of the edition followed by the number of the year. The series with the number of the year in the official list, for instance Hla Bu 15, has the number of the edition in Roman numerals. But if an edition that was published more than one year ago is released, it is denoted by the number of the year. For instance, the latest edition of Hla Bu is Hla Bu 18. So all the editions between the year 2002 and 2011 have the number of the year in Roman numerals, while all the editions between 2010 and the present have the number of the year in the year itself. In fact, the editions after 2010 are all known by the number of the year. So the latest edition of Hla Bu is Hla Bu 18 and it was released in November 2013.
