Download: ● Paragon – The Path from Fantasy to Real-Time Tarnished Chronicles (Tarnished Chronicles) As the name indicates, Paragon is a sequel to the game that was released in early 2014. Paragon is an action RPG (RPG-type) where you could customize your character and fight against enemy in open field and dungeon. This game is targeted to adults (over 17 years old) because of hard battle and strong transformation. But this does not mean this game is only for adults. As you progress in the game, you can start to meet older characters, and you can make close relationship with them. Features • Six Actions you could use! You can use six actions with items found in the game. You can transform your character by using abilities to more powerful. In addition, you can use items and items to make six different weapon combinations. In this game, your class, the weapons that you equip have a strong influence on the progress of your character. • Strong transformations!! You could transform your character during the battle. It is really fun when the character's sprite changes during the battle! If you want to make your character faster, you can use the ability of transformation. There is a positive feedback mechanism in the transformation! If it is successful, you could use the transformation ability faster. • Unique Story! You could play the game without knowing the story. However, the story begins when you reach the climax. This game is a sequel of Tarnished Chronicles. The beginning of the game is already clear, but the story becomes vivid as you complete the game. • Types of Character you could customize! You could make your character by choosing different classes, such as knight, warrior, scholar and cleric. You could use items as you will. ● Journey to the Mount! You could take the journey to get the Mount of your choice! You could get a new item and a strong weapon by completing the quest. If you want to change your class or you want to reach your goal faster, the Mount is the best place to make it. You can even make a new character in the Mount! ● Easy to play, difficult to lose! If you have experience of playing Turn-based ARPGs (RPG-type) and also fighting games, you can easily play this
