GAME FEATURES

Online Features The Online World System allows players to easily connect to others and travel together, so that you can experience the play through the eyes of others. When creating your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. You can also share and compare your character builds with others via Facebook, Twitter, and Instagram. In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. Start a new adventure with a good party and the maximum party bonus level. You can conduct your own battle by yourself or invite your friends to lend a hand. Complete various quests and take on quests that you and your friends are strong enough to complete. Face challenging bosses and travel to the dungeon-sealed worlds.

Multiplayer Features The online world system allows players to play together even in offline mode, in addition to the various contents as a multiplayer-only game. Share and compare your character builds, create battle spaces, and experience the environment through others.

FAQ

1. What are the roles in the game? The main character (Tarnished) and one of the other characters (Elden) are limited characters who travel together. The remaining characters are heroes who come together to solve problems. However, because of the potential for randomized encounters, you can play even if you only have one main character, and you will not necessarily encounter the other two characters.

2. What is the difference between a hero and a special character? The hero is the character whose main job is to fight. The special character has a well-balanced job. Most of the special characters have passive effect that also affects the whole party.

3. Will there be any Gacha elements? No. Gacha elements are not included.

4. What's the difference between a good and bad ending? There are good and bad endings
