Using the concept of civilization for the recent past of the Earth. The concept of 'civilization' has a long history and shows a wide usage, especially in the languages of science. The term is used to designate that part of the world which has been influenced by a specific civilization. In addition to its often anachronistic and model-dependent character, the concept of civilization also covers different meanings. It is time to review this concept, which will allow a reappraisal of this concept and some advices for revising it, taking the recent past as the horizon. It is also time to change that concept and talk of 'worldwide contemporaneity' rather than 'global civilization', a term which, at least in the case of the Earth, is clearly impossible to define because of its epochal change.The special counsel Robert Mueller Robert (Bob) MuellerCNN's Toobin warns McCabe is in 'perilous condition' with emboldened Trump CNN anchor rips Trump over Stone while evoking Clinton-Lynch tarmac meeting The Hill's 12:30 Report: New Hampshire fallout MORE sent a criminal referral to the U.S. Attorney's Office in the Southern District of New York on Friday over an allegation that Paul Manafort Paul John ManafortOur Constitution is under attack by Attorney General William Barr Bannon trial date set in alleged border wall scam Conspicuous by their absence from the Republican Convention MORE lied to federal agents, The Washington Post reported. According to the Post, the special counsel's office will seek an indictment against Manafort for allegedly falsifying the so-called paperwork to authenticate the millions he earned working for a political group backed by Russian President Vladimir Putin. Manafort allegedly sought to use the falsified information to help him avoid not paying taxes on some income he earned while working for the political organization. ADVERTISEMENT The information on Manafort's tax return was not added to the return in 2014, the Post reported. Federal agents had interviewed Manafort, who has maintained he had no contact with Russian-aligned figures while
