The year is 2039. After the end of World War III, a small crew of special forces soldiers emerge to form a league of mercenaries. Your duty is to unite the scattered war veterans and lead them to protect humanity from the growing danger by conquering your enemies. As the new leader of a rebel group, you are to unleash your tactical mind and finance skills in order to change the future! Key Features: - 4 unique and exciting game modes: The WOD mode: Battle the enemies on an ancient battlefield, test your ability as a military leader in a different way. More than 2000 soldiers and beasts are waiting for you. Enjoy a big-scale approach to the game with the inter-connected battlefields. The City Conquest mode: Take over a city to complete your takeover on the territory. The Weapon Destruction mode: Fight against enemies in a gun-based melee combat experience. The Empire Raid mode: Join your opponents and defeat them in an organized team battle, allowing you to save your own army with the ultimate counter attack. - Unique interactive battle system: Command your enemies to attack or escape, shape the battlefield to your liking and learn how to use your selected troops to their full potential There are 18 playable commanders, each of whom has special abilities. With their abilities and equipment you can create unique strategies, make your own game-changing move and protect your position in battle. - Deep-sea and the moon: Use the deep-sea and the moon bases to conquer the world! The deep-sea bases contain up to 60 energy supply points (depending on the map) and can be attacked at any time. Using the bases it becomes possible to create a direct connection to the deep sea and to extend your influence to other continents. These levels act like a playground for your individual tactics. It is your job to find the right angle of attack and to reach your objectives. - Arcade mode: A great challenge awaits you: in the arcade mode your mission is to play all four game modes. Participate in a series of daily quests and earn your victories. - 100+ hours of action: Reach the next level of gameplay in the best strategy game ever.
