others. Categories Workbench(s) Technologies Show Only Solving Problems In A Horseradish Environment Show less Everyone loves horseradish. The spicier the better, I would say. Unfortunately, any good-tasting horseradish needs to be a bit spicy, but it also needs to be prepared properly. In this workshop, we will try to show you how to prepare a flavorful, spicy horseradish. The aim of the workshop is to prepare a horseradish that you can use as a condiment or marinate your pastured meat. It will feature: - Savory and spicy ingredients. - Green horseradish mustard for color and flavor. - Whole horseradish, to get the spiciest horseradish possible. - Horseradish greens, to ensure a healthy horseradish. In the spirit of the workshop, I will be serving up as much horseradish as can be had, along with a nice slice of homemade horseradish mustard. Let's take a look at what I like to prepare with my horseradish! Horseradish Greens Horseradish is an amazing horseradish in itself. It is spicy and seems to have a bit of a kick to it. While it doesn't seem
