Command your own army and assemble your own character! • A Battle System Perfect for the Modern Era In Everfall, battles are based on turn-based tactical movement, where every single action, with the exception of attacking, is controlled by a single button. The enemy moves simultaneously with you, and depending on the order in which they move, the route in which they move, and the weapon type that they use, the battles will follow their own rhythm. Battles in Everfall are set in turn-based movement, and a group attack (formation attack, party attack, raid, etc.) is a key element of the gameplay. If the enemy party is split up, you must attack them in turn, if you want to defeat them. Development team Interview Gensuke I'm Gensuke, a Vice President at Atlus. **Atsan Holdings Inc. and ATERI continue to leverage their respective strengths and capabilities to develop the more successful version of Atsan’s comprehensive graphics and animation tools, ByMap Studio. ByMap Studio allows developers to map beautiful graphics into 3D game content as they are created in 2D programs such as Adobe Photoshop and Illustrator, and export them as a texture map file. ByMap Studio does not require developers to learn any new graphics programs. Visualizing a game clearly and cutting through detailed operations are made easier than ever.**

**At the same time, ATERI takes the lead in area graphics effects planning and the research and development of the most lifelike AR system.**

**Like its player character- Artyel.**

---

**One of the traits that he wants the player to pick up as Artyel is “a good heart.” In fact, Artyel was once a kind-hearted Cryer but he went through tragic experiences.**

**The tragedy was caused by fierce monsters that pursued Artyel in order to get the Mask of Redeflection, an item that is central to returning to reality.**

**To come in and get it he had to trust in his friends- not only himself but also his teammates.**

's mine." Jer had already started making his plans and when I got back to the shelter we started to get our supplies together and talk about the trip. "Let's get our shit together NOW," he announced, "we get no time to waste if you're ready to pull the trigger tomorrow". It was then I found out a newbie around the corner had been watching us and was thinking of joining the fron gang. And that the junkyard closing would leave him with the long trip home. "I can stay here..." "Let's really bail," suggested one of the old heads, "I don't wanna hang around here. There's too many fuckers who might come after us". "Change your mind," said Lonnie. "Let's do this...there's good money in it". The plan was for us to bunk for the next few days, save up some money and then make a run at the jail. I was hoping to see the gates myself, but that wasn't to be the case. By the time we made it to the jail I felt as if I were in some type of dream. That's probably because the marijuana we smuggled
