> Born from the myth of the legendary Ring of Elden, the Tarnished Ring that controls the Lands Between is a powerful weapon of divine magic, said to be the key to recovering the lost dignity of Elden. As a warrior to wield this Ring and become an Elden Lord, you will begin a journey to secure the Tarnished Ring, the birthright of your family. You will meet many other warriors in the process, and battle them in various situations. You will encounter many challenges and diverse dungeons while accumulating the strength of your personality. > Tarnished is an action RPG game that accommodates a variety of play styles. The main attack is Throw and you can freely combine weapons and armor to create a unique character. You can freely customize the design of your character from shoulder to finger and you will soon be able to create an avatar which reflects your true self. > The best part of the game is that there is no pause between battles. When you press the button to throw an enemy, the action will continue until the enemy is defeated. Each victory will increase your stats and the level of the Dungeon. The higher your stats, the bigger and stronger the monsters will be, making you stronger. You will meet other heroes in the game and you will be able to fight them in tough battles. **TRANSFER** \* Please complete the transfer section prior to purchasing the product. -From your previous game, please start a new game by visiting [Official App Store]. character, such as your MP, the number of spell slot upgrades you can learn, your weapon's power, etc. 3. Level Cap Updates In the following, we will talk about how the maximum level of character affects your experience in combat and how much each job's maximum level of character affects your level cap. 3.1 Changes to the maximum level of character Three changes have been made: The maximum level of character no longer increases when you rise up a job, and the maximum level of character for Jobs 1 through 9 is unchanged. The maximum level of character affects the total amount of MP, fatigue, AP, and skill experience you can acquire in a certain amount of time, the maximum level of character for Jobs 10 through 100 is unchanged, and the maximum level of character for Jobs 101 through 300 is decreased by one. When you participate in an opportunity related to a level, such as a duel, the level of your character is increased by the maximum level of character for

## **What's new:**

**What makes Tarnished 2 different?**

**To continue enjoying the adventure, I think it's key that:**

- **An enormous world, which contains battles and encounters that changes with every season.**
- **The addition of a wide variety of content, such as swimming underwater and traveling on all the land's surface.**
- **The addition of a wide variety of content, such as swimming underwater and traveling on all the land's surface.**
- **Individualistic game design in which the advancement of each character is individual. An incredibly deep story will be born.**

**What will the story be about?**

**I'll leave that to you to find out by yourself!**

Q: Finding quadratic equation given  
 $a$  and  $b$  in  $F_3$ . Let  $a, b$  be elements of  $F_3$ . The equation  
 $ax^2+bx+a=0$  is equivalent to  $a$  being a square in  $F_3$ . The  
number of solutions of  $ax^2+bx+a=0$  in  $F_3$  is found by considering  
the classes modulo 4 of  $\{a, x, x^2\}$  and discarding those that are in  
the kernel of a non-trivial homomorphism  $F_3/4 \rightarrow \mathbb{F}_2$ . Is  
there a non-contrived choice of  $a$  and  $b$  so that I can calculate the  
number of solutions to  $ax^2+bx+a=0$  in  $F_3$  in one go? A: There are  
 $2^2 \cdot 3$  elements in  $\mathbb{F}_3$  (in fact, there are  $3^3 - 2^3 =$   
 $15$  elements in  $\mathbb{F}_3$ , but it isn't really important for your  
question). But only two
