In view of the great possibilities offered by international solidarity, it is necessary to develop the economic, social and cultural relations between them and the countries of Latin America. Through the application of the principles of Article 41 of the Charter of the United Nations it must be distinguished clearly between the reform of the institutions and the "just balances" which should be sought. The economic and social development of Latin America should be the priority objective of this solidarity. In this context, it is necessary to highlight the need to obtain the cooperation of the people for the improvement of their situation, their culture, and to insist on the need to modernize the system. The development of education must be a priority, since it is the best method to change lives. Everything must be done, as said by Albert Einstein, "without the people, there can be no science." The reforms started in Latin America must be carried out with the same energy and vigor as we have seen in other parts of the world. The Washoughal School District partnered with Washoughal Elementary school staff to plan a grassroots effort to raise funds for a new playground at the school. Washoughal Elementary is working with surrounding schools to raise funds in a bid to meet the needs of the students, the school district said. The district said the money raised through the initiative will be applied to the costs of installing a new playground, however the process will mean the playground will be ready in 2017. The district said it was not compulsory for all local schools to contribute to the projects. The total cost of the playground project is estimated at \$250,000 with Washoughal Elementary School contributing \$10,000. The district said in order for the initiative to work, it would need the support of the entire community 6d1f23a050
