Moulin Rouge!: Directed by Baz Luhrmann. Nicole Kidman, Ewan McGregor, John Leguizamo, Jim Broadbent. A poor Czech poet in 1890s Paris falls in love with ... a cabaret. His lover, a dancer named Madame, is married to a wealthy baron who also has a mistress as a servant. At a social event in a cabaret (with the participation of famous ladies), he meets two young girls: an aristocrat-aristocrat (of course in a bowler hat) and a dancer-dancer (what else is it customary to dance in today?). And although the latter is a very modest girl (and even gray), the poet falls in love with her.

A free-standing pot that automatically shuts off when the temperature reaches a certain set point, it's nearly silent and can produce from the same efficiency as a conventional oven, if not more. Our favourite cooker's recipe capabilities include: Slow Cooking, pressure cooking, cooking meats, soups, stews and chilis. The pressure cooker can be used to cook food to perfection and consistently low internal temperatures. This setting will cook the meat to the consistency of a roast dinner, but with a c6a93da74d
