## Tamil Hd Movies Full [Extra Quality] Cheeni Kum

tamil movies are no different than hindi, its all about the story. as for the songs, tabu is not a hero for amitabs, in fact he is a fool. yes, he is a fool who makes bad decisions but its not hero like behavior. hence his reactions are not expected, thats why we are angry at him for his actions. by the way, the song baatein hawa is reworked from a song in the tamil movie mouna raagam. this song was followed by another from the movie, namma ooru. the song was a remake of the tamil hit, aalu naaigal (1988) performed by ashah bhosle. the remix version titled kannada, with jaya prada and ghulam ali was released in 1992, and is still a popular song. the song is a liveliness meets a softness song, that just flows away from the speakers. right after cheeni kum, the soundtrack of the movie had a number of songs. the title track was a remake of the popular malayalam hit of 1982, "kanni nokkaduvaan.." from the director's olangal (1982) sung by s janaki. the remix version, titled gummm summ gummm was released in 1991. the song, made by ilaiyaraaja, was performed by sravan and bhavatharani. then there were "mizhi munnu" and "naanum neram", both from the movie. the mizhi munnu is a beautiful rendition of ilaiyaraaja's original version and the naanum neram is a seductive romantic number, with a beautiful harmony between the vocals. the movie also features a completely new rendition of the title song, "tamizh hudangal" in tamil. the song was popularised by the tamil version of the hindi song, "gummm summ gummm", the remix version of which was performed by sravan and bhavatharani.

## Tamil Hd Movies Full Cheeni Kum

The first 40 minutes of Cheeni Kum are very slow, even a little tedious.

It seems that director R Balki, in spite of his immense talent, has never made a film before. It shows in his script as well as in his direction and editing. The story, based on Abhijat Joshis novel The Heartbreak of Gopi, is big and broad. Thats part of its charm, but it means that there is a bit of a dearth of characterisation or point of view to it. Once the first 40 minutes are over, this film finally gets going, but that doesnt happen until after Anandiben has taken over as the director. And even after

that, things dont pick up till late in the film. By then, youre just glad for any kind of progress. Its very hard to accept that a film with some great music, a great script and an awesome cast isnt made with more money than this to be more ambitious and creative. Maybe a full blown adaptation of a film like Princess with a more interesting script could have worked (its original novel never got a film adaptation in India), but Cheenikum isnt that kind of film. Its also a shame to see a film get a long, final cut. So many films these days get stripped down so that they can fit into a 130-minute running time. Its a complete waste of potential. And,

yet again, we have a director whose heart and soul is missing. Insightful, thought-provoking and insightful, Kantadas excellent script, Sangeethas brilliant cinematic vision and Sanjay Lal Bada in cinemas today, will only confirm the enduring power of their new Hindi movie, Cheeni Kum. Far from being a general life-lesson or a message about finding happiness the way you choose to, these characters come together because they know that theres more to love than a happily-ever-after which, they agree, is just a temporary illusion that all too quickly fades into memory. 5ec8ef588b
